PRINCIPAL'S MESSAGE

Dear Families,

Welcome to April! I am thankful for the warmer weather and early flowers coming alive. Our students have been working hard on their learning. The staff have been focused on supporting students to move forward in their learning while also closing gaps that have taken place over the past year. Thanks for your continued support of the learning focus during these challenging times.

We say farewell to Mrs. Mclean, our wonderful Early Childhood Educator in the Kindergarten 2 classroom. Mrs. Mclean will be greatly missed by her students, all the staff and our community. We wish her great success at the Virtual School.

I hope everyone has a restful April Break (April 12th-16th). I look forward to seeing all our students back on April 19th.

Yours truly,

Mr. Shad

Grades 7-12

Grades K-6
Apr 6 - 30

Our students deserve to be inspired, empowered, and supported to reach their full potential. At the DSNB, we believe we can best serve our students by listening to what they have to say.

We are asking families of Kindergarten to Grade 6 students to complete the online “My Voice Counts” Student Census Survey, at home, for each student in their household, between April 6-30. This confidential survey will help us support student achievement and well-being in targeted and intentional ways.

The K-6 Student Census Survey consists of 8 questions about student ethnicity, race, languages, nationality, religion/spirituality, gender identity and disability/condition. Families will have the option to take the survey in multiple languages: English, Arabic, Simplified Chinese, Korean, Hungarian, Spanish and Vietnamese.

To find out more information and to complete the survey, please visit your school’s website or click here: www.dsnb.org/myvoicecounts Here you will also be able to preview the survey questions, refer to our Parent Guide, access multi-language survey options and review our Frequently Asked Questions.

To access the survey, you will use your child’s secure DSNB username and password. This is the same login information that your child uses daily and during the Learn from Home period. DSNB Student Census Survey is open until Friday, April 30.

Thank you for completing the DSNB My Voice Counts Student Census Survey. Your ongoing support is valued and appreciated.
