** Please—All students require a backpack to carry their belongings to and from school. Please ensure all personal items are labelled with your child's name. Please note that some of the items may require refilling or replacing throughout the year. Please note that students are not allowed to have liquid paper, laser pointers or electronic devices (games, cell phones) at school.

Also, in September, students in Grades 1-6 must purchase agendas. They contain valuable information to help your child succeed academically and socially.
